

WELCOME TO ALL

OPEN DOORS FINANCIAL ASSISTANCE PROGRAM APPLICATION

At the Y, we believe we have something special – a sense of community. We also believe that everyone should have access to our community, along with the program and services that help us learn, grow and thrive. In order to ensure we provide programs and services to the entire community – regardless of an inability to pay – we award financial assistance. Financial assistance is awarded based on need and availability of funds. Funding for our financial assistance program is made possible through the generous support of our donors to our annual campaign.

To apply for financial assistance please scan and email the following documents to Foundation YMCA Membership Director, Junior Brinkley at jbrinkley@wilsonymca.org. Or drop off completed form and documents to the Foundation YMCA Front desk.

- 1. Completed Financial Assistance Program Application
- 2.A copy of previous year federal income tax return(s). If you do not file federal income taxes, please call 1-800-908-9946 for a verification of non-filing letter or go to IRS.gov for other information.
- 3. Two most recent paycheck stubs or letter from your employer verifying your employment and stating your annual salary for all household members earning income. If you are unemployed, draw social security or receive other assistance, please provide a summary of your monthly awarded amounts.
- 4.A letter of request (on your own paper) explaining why you seek financial assistance from the Foundation YMCA. Please clearly explain any extraordinary circumstances (e.g. medical bills, school bills, job loss, etc.) that affect your household situation. Your application packet will be returned to you if this letter is not included. <u>This step is optional</u>

Please mark out all social security numbers, tax ID numbers and/or credit card numbers before submitting any paperwork.

Reasons you may be ineligible for financial assistance:

- Failure to return completed application and required documentation at annual renewal.
- Missing more than one membership dues payment.
- Falsifying information on Financial Assistance Program Application.
