# Y-GIG

## Middle School After School

Unleash your middle schooler's potential at Y-GIG! Our after-school program (3:30-6:00pm) offers enriching activities in academics, arts, and more. Snacks, homework help, and transportation included! Learn more about STEM, health, and career options. Enroll your child today!

As an organization dedicated to strengthening community, the Y believes in a community-based approach to student success that involves creative partnerships with schools, local community members/businesses, and families to meet the needs of all children through academic enrichment, social-emotional learning and character development. Our Middle School After School program is led by qualified and experienced staff.

# TESTIMONIALS

"This is our second year in Y-GIG, and we've loved it! I wish my older son could go back to middle school to be a part of it again. My son, who is always ready to go home and get on a game, is actually disappointed when he has to miss Y-GIG after school. There are so many different programs to choose from, and my child looks forward to choosing new ones for each session. The staff is so friendly and helpful and works with you, your child, and their school to help them succeed."

—Y-GIG Parent

"My experience with Y-GIG has been amazing in every way. They've taken the worry away from me about finding someone who is really going to take care of my daughter after school when I'm still at work. Not only that, but they teach middle schoolers so many new things that they never thought they could do. They help them mentally. The employees treat the kids with so much love and they really care about their grades. I love this program so much. This is my daughter's last year here, but I'm already looking forward to enrolling my son when he gets to middle school. I'm definitely going to miss all the personal touches and events."

—Y-GIG Parent

### Y-GIG Hours

Middle School After School

Hours of Operation

3:30 pm - 6:00 pm

# MONDAY GIGS

## cWCPL Staff-STEM-offsite – (10 spots)

Do you enjoy playing board games and console games like 2K and Fortnite? Do you like playing games with Switches? Then this gig is the one for you! Join us at the Wilson County Public Library to dive into a variety of gaming platforms while hanging out with your friends.

## NEW!! REALITY OF AG

### Kenyatta Dixon-STEM- offsite (10 spots)

Reality of Ag is an engaging, real-world agriculture program designed to help middle school students understand how agriculture touches every part of their daily lives. Through hands-on activities, discussions, and real examples from farms, businesses, and communities, students explore how food, clothing, technology, and the environment are all connected to agriculture. The program encourages critical thinking and problem solving as the students learn where everyday products come from, how they're made, and why agriculture is essential to the world's future. By making agriculture relatable and relevant, Reality of Ag empowers students to see agriculture as not just farming, but a vital industry full of science, innovation, and career opportunities.

## BASICS OF BEAUTY

### Bria Rogers-Arts & Humanities-onsite – (15 Spots)

Are you wanting to explore your world of beauty? In this gig, you will engage with various beauty aspects and learn basic hair, skin, and nails skills! From classy manicured nails to stylish hairstyles, you can take these basics and define your own beauty!

## Photography 101

### Nikki Pruitt-Arts & Humanities-onsite/offsite – (10 Spots)

Is taking pictures your thing? Would you like to get better at it? Then, explore the world of photography as you navigate using a Digital SLR camera and discover how to create impressive photographs that will impress your family and friends.

# MONDAY GIGS

## LEGO LABORATORY

### Y-GIG Staff-STEM-onsite - (15 Spots)

Are you a Lego fanatic who enjoys passing the time by building Lego creations? Join this gig to experiment with Lego pieces to construct various creations from your imagination and themes, build some cool gadgets with the Lego Spike Prime robots, and participate in Lego build competitions!

## MEDICINE MASTERS

### Rachelle Williams-STEM-onsite - (10 Spots)

Are you curious about how medicine is made to treat certain medical conditions? Join this gig to explore the world of Biopharma (making medicine with living things such as insulin and vaccines). In partnership with Johnson & Johnson, this initiative (NIIMBL bioLogic) will give students first hand experience with working as a team to identify a real-world medical problem, come up with a product solution, and marketing plan. Participants will have a chance to meet professionals in the field and explore Biopharma colleges and careers.

## DOWNTOWN WILSON PAINTSHOP

### Bobby Jenkins-Art & Humanities-offsite - (10 Spots)

Welcome to the Downtown Wilson Paintshop, where creativity comes to life and little artists shine! Hosted by Mr. Bobby at the downtown Wilson Paint & Wallpaper, this hands-on painting program invites kids to explore the colorful world of art through guided projects, playful techniques, and plenty of imagination.

## NEW!! VOLLEYBALL FREE PLAY

### (Y-GIG Staff/Volunteer-Health & Wellness-onsite - (10 Spots)

Is volleyball your thing? Well, this gig is for you. Participants will be able to practice serving, passing, setting, and other basic skills while engaging in teamwork and building confidence. Whether you are a beginner or more advanced, all players are encouraged to grow, stay active, and enjoy the game.-ACTIVE

## NEW!! GAME NIGHT @ Y-GIG

### (Y-GIG Staff/Volunteer-Health & Wellness-onsite) -(10 spots)

If you enjoy game nights with friends and family, then this gig is for you. Participants will come together each session to play, connect, and unwind. From interactive challenges to board games and friendly "minute to win it" type competitions, there's something for everyone to enjoy. It will be a welcoming space for socializing, teamwork and laughter while building friendships and positive connections.

# TUESDAY GIGS

## SOCCER SQUAD

**Ashley Blalock-Health & Wellness-onsite - (10 Spots)**

Are you into soccer, want to learn, or get better? Come challenge your athletic skills by joining the Soccer Squad to practice or learn soccer skills, rules, and plays. Students will participate in drills and games either indoors in the gym or outside on a soccer field (depending on the weather). -ACTIVE

## CRAFTY CREATIONS @WCPL

**WCPL staff-STEM-offsite) - (5 Spots)**

Do you like making cool crafts from your imagination? This gig will have you crafting in the maker space lab with the 3D printer and other fun gadgets and materials. Come join the creative world at the Wilson County Public Library with Y-GIG!

## IT'S BACK!! "SOUL IN MOTION" LINE DANCING

**Zartisha Davis-Health & Wellness/Arts & Humanities-onsite - (10 Spots)**

Do you like dancing and moving to music? Join this gig to learn various styles of easy, trending line dances with TikTok flavor!

## NEW!! MYSTERY MAKE AND TAKE

**MJ Farmer-Arts & Humanities-onsite - (10 Spots)**

Do you like surprises? Do you like making cool crafts? Join this hands-on gig where creativity meets surprise! At the beginning of each session, a new mystery craft project will be revealed. A variety of materials will be used to design, build, and decorate a one-of-a-kind creation to take home each session. Come enter the mystery world of craft creations and discover a new surprise each week.

## COLLEGIATE HEALTH CAREER EXPLORATION

**Jordan Blake-College & Career-offsite - (10 Spots)**

This gig is designed to introduce students to college life at Barton while focusing on health careers and healthy living. Combining the two programs will allow us to highlight the best parts of both aspects of the Area L AHEC/Barton College Partnership! (10 spots)

## Y-FIT FUSION

**Foundation YMCA Staff-Health & Wellness-onsite - (10 Spots)**

Are you curious about the various fitness classes offered at the Foundation YMCA of Wilson? Join this gig to explore fitness programs available right here! During this gig, students will explore the classes such as cycling, zumba, yoga, youth fitness, and cardio. See how you can make healthy strides with the Foundation YMCA of Wilson and Y-GIG Middle School After School!

# TUESDAY GIGS

## MASTERING MATH

### **Rachelle Williams-Academic-onsite - (15 Spots)**

Students registered for this gig will receive support with HW, curriculum concepts, and participate in various activities to strengthen their Math skills. Students will use resources to improve their academic performance in this content area. Using information Y-GIG receives from the schools, the teacher(s) will create enriching activities for students to participate in while focusing on improving different skills in Math.

## ELA EXPLORATION

### **Anyssa Corpening-Academic-onsite - (15 Spots)**

Students registered for this gig will receive support with HW, curriculum concepts, and participate in various activities to strengthen their ELA/Reading skills. Students will use resources to improve their academic performance in this content area.
