Y-GIG is an After School program graciously funded through a grant from the Healthcare Foundation of Wilson for all Wilson County middle schoolers. Students/Families can choose to enroll in Y-GIG Full-time (5 days a week) or Part-time (1-4 days a week). Some gigs occur on-site at Y-GIG, while others occur within the community.

## TRANSPORTATION

Students attending the Wilson County public middle schools will be transported to & from their feeder schools to the YMCA before & after programming. Parents also have the option to pick up students from the YMCA.
